I subscribes several days ago but not getting any messages from the list  
even though I was accepted by listproc.  
Anybody using this list? Or have I rejoined a "dead" one?

I like old radio's too.  
Collins, Hallicrafters, National & Hammurland are my Favorites!

HEY! It's a reply from AF4K!

Yeah Bob - it's working.

Band conditions are improving so I suspect a lot of the guys are on the air this weekend rather than sending messages.

There was a big thread about REGEN receivers here that didn't interest me much.

I am building a 2 or 3 tube transmitter and getting all of the parts together for it right now. There's a lot of fun to be had with homebrew tube equipment on the ham bands still.

What is your interest?
